Subject:- Compensation--Military Field Firing Accident --Iblur Rifle Range.

Sir,

With reference to your letter No. 4052/W dated 26-4-43 on the above subject, I have the honour to forward herewith a copy of letter No. M.B1-1315/42-43 dated 8-9-43, received from the Civil Officer,-Bangalore, on the subject.

It is reported that the victim of the accident, Lingachari the husband of the petitioner Chandramma, was an employee in the Hindustan Air Craft Factory and that he was earning Rs. 1-12-0 per day. He received gun-shot injuries on 17-3-43 during the military Field Firing exercises in the Iblur Range area. He succumbed to the injuries in the Victoria Hospital, Bangalore, leaving behind his widow and a child named Sharadamma.

The Civil Officer, Bangalore after necessary enquiry, repobts that a lumpsum compensation of Rs. 1,000/-, which is approximately equal to two years' earnings of the deceased may be paid to the widow by the military authorities as an act of grace, on condition that the amount would be utilised in the interest ofthe minor child.

I agree with the Civil Officer. If Government approves, the military authorities will be addressed on the subject.

The connected enclosures received with your letter accompany.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner
&
Civil Representative.

Subject:- Death of one Lingachari of Agara near the Iblur Rifle Range as a result of Gun Shot injury.

With reference to your memo No. D.O. No. ClL.O. 442/42-43 dated 3-5-43 calling for a report on the above subject, I have the honour to state that the matter has been investigated and it is ascertained that the deceased came from Mysore side and owned no properties in this district. He was employed on daily wages in the Hindustan Air Craft Factory and was earning Rs. 1-12-0 per day; as could be seen from the reference received from the Hindustan Air Craft. He has left behind a widow by name Chandramma and one child by name Saradamma. His widow Chandramma is stated to be now living in Shimshapura with her relations. It is ascertained that the deceased was the only earning member of his family and was maintaining himself and his dependants on his income of about Rs. 600/- per year. Death has occured in the Victoria Hospital and the police have held an inquest on the dead body. It is clear from the Doctor's opinion Police records that the deceased was a healthy man with an accidental death due to gunshot wound and not by overt act by himself

Considerting the circumstances and status of the de I am of opinion that the petitioner Chandramma who is the widow of may be awarded a lumpsum compensation of Rs. 1,(roughly equal to two years earning of the husband, on cor that the amount would be used in the interest of the minc

The bill in triplicate in respect of Rs. 1,000/- is with enclosed for favour of getting the approval of the Head Quarters.
